PUBLIC NOTICE: AMENDMENT TO ADVERTISED REQUEST FOR PROPOSAL

ADDENDUM 1:

DESCRIPTION: PROVISION OF A CONSULTANT TO DEVELOP AN INDUSTRIAL PROCESS AND PRODUCT USE (IPPU) GHG MONITORING, REPORTING AND VERIFICATION (MRV) REGULATORY FRAMEWORK IN NAMIBIA
PROCUREMENT REFERENCE: SC/RP/EIF-05/2026

The Environmental Investment Fund of Namibia (EIF) hereby wishes to inform all prospective bidders and the general public of an amendment to the above-mentioned Request for Proposal, previously advertised on the EIF website and official social media platforms.

Following an internal review, it was noted that the bidding document inadvertently indicated that the consultancy was open to both individual consultants and consultancy firms. EIF hereby clarifies that this procurement is **intended exclusively for duly registered consultancy firms and is therefore not open to individual consultants bidding in their personal capacity.**

Consequently, the relevant eligibility provisions and technical evaluation criteria have been amended to reflect this requirement. Prospective bidders are advised to refer to Addendum No. 1, which forms an integral part of the original bidding document.

EIF acknowledges this oversight and sincerely apologises for any inconvenience or confusion it may have caused prospective bidders.

Submission Deadline: 16th October 2026 @ 12H00am

The amended bidding document/Addendum No. 1 is available on the EIF website: www.eif.org.na.

For further enquiries, kindly contact the Procurement Management Unit at procurement@eif.org.na.

Kind Regards

MR. ELVIS MSKAYA
