

EIF SMALL GRANTS FACILITY

What is an EIF Grant?

A Grant is a financing mechanism offered by the Environmental Investment Fund of Namibia (EIF). The EIF provides such grants to Individuals, Non-Community Based Organisations (Non-CBOs), Women's Groups, Youth Groups, Micro Small Medium Enterprises (MSMEs), Non-Profit Organisations (NPOs) and People living with Disabilities'. The purpose of the grants is primarily to fund activities and projects under the following investment themes:

- Sustainable Natural Resource Utilisation & Management.
- Sustainable Tourism MSMEs.
- Nature-based Enterprises & Natural Resource Value Addition.
- Green Technologies, Low Carbon Development, Renewable Energy & Energy Efficiency Initiatives.
- Sustainable Agriculture / Climate Smart Agriculture.

Funds are allocated annually by the Fund Management Committee towards those activities and projects that promote and are related to the overall objectives and established mandate of the EIF.
