

# INTERNSHIP OPPORTUNITY

DUE DATE: 1 MAY 2026

The Environmental Investment Fund (EIF), through its Department of Operations, is strengthening its internal capacity to enhance project implementation, project monitoring and evaluation (M&E) and operational support to the Small Grants Facility. In pursuit of this objective, EIF intends to recruit up to five (5) Young Professionals on a fixed-term basis. The Young Professionals Programme is designed to attract recently graduated, entry-level professionals and provide structured exposure to EIF's project and grants management environment, while simultaneously strengthening operational delivery.
