Certificate in Climate Change Financing and Entrepreneurship
(CREDITS 24 | NQF 9)

Course Length:	13 Weeks
Implementation Date:	September – December 2024
Delivery Mode:	Face-to-face
Registration Due Date:	31 August 2024
Investment:	N\$ 9000.00
Registration:	https://forms.office.com/r/tJhgJA82ky

TARGET AUDIENCE

Mid-level to senior professionals in any field involving Climate Change issues from the Private Sector, Non-Government Organizations and from Government Ministries, higher institutions, and other Organizations.

CRITERIA FOR ADMISSION

Certificate or Diploma at NQF Level 8 (Honours degree) or If Level 7 (ordinary degree with a research project or relevant experience of 5 years minimum).

PURPOSE

The purpose of this course is to provide participants with a comprehensive understanding of the intersection between financing, entrepreneurship, and climate change. Through the course, participants will gain insights into the opportunities and challenges presented by climate change, and learn how to leverage financing and entrepreneurship to address those challenges effectively.

EXIT LEARNING OUTCOMES

At the end of this short course, participants will be able to:

1. Explain the key concepts, issues, and challenges related to climate change financing and entrepreneurship in Africa.
2. Analyse the impacts of climate change financing options and evaluate their effectiveness.
3. Assess the role of institutional and policy frameworks in supporting or hindering climate entrepreneurship and financing in Africa.
4. Evaluate the opportunities and challenges for climate entrepreneurship and innovation in Africa.
5. Address climate change financing and entrepreneurship challenges in African countries using critical thinking and problem-solving skills.
6. Develop effective communication and collaboration skills to work effectively with stakeholders involved in climate finance and entrepreneurship in Africa.
7. Propose and evaluate solutions for addressing climate change challenges in Africa using innovative financing and entrepreneurship approaches.
